

Hello Everyone!

We, the music group, are really sad that our day could not take place. Our plans were to have a live band, performing dance groups, a hip- hop workshop and a music quiz. Now we were forced to cancel our event because of Covid 19, but we decided to offer you some compensation.

The music quiz is now online, furthermore we have a crossword puzzle for you. Additionally, we were able to upload a video where you can learn some dance moves.

Lots of fun :)

Yours,

Lisa – Marie, Miriam, Lina, Leonie
